Pitch to Britain's most dynamic Investors

On **5th June 2026**, the Worshipful Company of Entrepreneurs' Scale-Up Capital programme, in partnership with the **London Stock Exchange Group**, will host a highly curated investor showcase bringing together more than **120 active investors** looking for compelling scale-up opportunities. Selected companies will have the opportunity to present their growth story directly to an audience of venture capital funds, family offices, institutional investors and experienced angels. For companies preparing for a significant capital raise, this event offers a rare opportunity to access a concentrated room of engaged investors in a single afternoon.

Selected companies will benefit from:

- A facilitated opportunity to present to over **120 UK investors** in one curated forum
- **Multiple 10-minute pitching slots** throughout the afternoon to maximise visibility with different investors
- An audience of **pension funds, venture capital trusts, investment funds, family offices and business angels**
- **Structured networking opportunities** with investors before and after the formal pitching sessions
- A **carefully-curated cohort of presenting companies**, with screening to avoid overlapping activities and ensure a diverse range of opportunities
- **Relevant media invited** to attend and cover the event

Company eligibility

Companies invited to pitch are expected to meet the following criteria:

- **Seeking to raise £5m – £30m+** in their next capital round
- **Established commercial traction**, typically **£1m+ in revenue** or a **substantial reference client**

A **participation fee of £650 applies** to selected companies to contribute to event organisation and investor engagement. Companies meeting the above criteria are invited to **express their interest in presenting**, with final participants selected to ensure a balanced and high-quality showcase for investors.
