Discover Britain's next generation of scale-ups

On **5th June 2026**, the Worshipful Company of Entrepreneurs' Scale-Up Capital programme, in partnership with the **London Stock Exchange Group**, will convene a focused gathering of active investors and ambitious growth companies for an afternoon of pitching and discussion.

This invitation-only showcase is designed as an efficient forum for investors to discover new opportunities among a **selected group of scale-up companies currently preparing their next stage of growth capital**. Participating businesses will have been screened for investor readiness and commercial traction, with each typically seeking **£5m-£30m+** in their next funding round.

By bringing together a concentrated room of experienced investors and investment-ready companies, the event aims to provide a productive environment for identifying new opportunities and building relationships within the UK scale-up ecosystem.

Investors attending can expect:

- Presentations from a **selected cohort of 14 scale-up companies** seeking **£5m-£30m+ in growth capital**
- Companies have been **screened for investor readiness**, typically demonstrating **£1m+ in revenue or a significant reference client**
- **Multiple concise pitching sessions** throughout the afternoon, enabling investors to hear from several companies efficiently
- A **focused audience of active investors**, including venture capital funds, venture capital trusts, investment funds, family offices and experienced angel investors
- **Structured networking opportunities** before and after the presentations to continue conversations with founders and fellow investors
- **Relevant media invited** to highlight the strength of the UK scale-up ecosystem

Investor attendance

Investor places are **confirmed in advance** in order to maintain a focused and highly engaged room. There is **no delegate fee for invited investors**.
