CEDO Our Forever Guarantee

CEDO is the core of C2Zero, where we securely store emissions allowances (to be held indefinitely or cancelled without ever polluting). Every action logged into CEDO is accounted for, ensuring its permanence. CEDO is our commitment to a lasting impact for your future generations. It's our assurance that the good you do with C2Zero will endure.

C2Zero is a platform providing innovative approaches to integrate environmental impact into products, services and activities, maintaining the highest standards of transparency, traceability, and integrity.

The C2Zero Carbon Cancellation Service is backed by Emissions Allowances held in the UK Emissions Trading Registry
